

Guide to Ride

REVISED: December 2019

POLICY STATEMENT

It is the policy of the City of Lubbock to provide a complementary paratransit service to those individuals determined to be ADA paratransit eligible when these individuals are unable to use the Citibus fixed route service to meet particular trip needs. This document is available on the Citibus website at www.citibus.com. This document may also be obtained in other formats by contacting CitiAccess at 712-2000 ext. 236.

GENERAL INFORMATION

Information on CitiAccess will be provided in the following areas:

- I. Service Description
- II. Certification Process
- III. How to Schedule a Trip
- IV. CitiAccess Fares
- V. No-Show/Cancellation Procedures
- VI. Medicaid Procedures
- VII. NiteRide
- VIII. Miscellaneous
- IX. Frequently Asked Questions

For additional information, please call 712-2000 ext. 236

I. SERVICE DESCRIPTION

CitiAccess service is provided by fully accessible, ADA vans. Operators are trained to provide minimal assistance. Operators are not trained to provide medical assistance.

Minimal assistance includes:

- The operator will come to the curb of a residence or pick-up location.
- The operator will attempt to notify passengers of arrival by sounding horn or ringing doorbell.
- The operator will assist passengers in boarding and exiting the van.
- The operator will deliver the passenger to the curb of his/her destination.
- Reasonable modifications to the curb to curb policy can be requested, and will be considered on a case-by-case basis (origin/destination). Exceptions to reasonable modification can be found on page 13 of this guide.

Minimal assistance DOES NOT include:

- Assistance getting in or out of wheelchair.
- Assistance getting ready for the trip.
- Administering medication or oxygen.
- Assisting passengers in wheelchairs up or down stairs.
- Assisting passengers up and/or down ramps at residence or destination.
- Assistance in carrying personal belongings or purchases.
- Providing personal care for individuals who cannot be left unattended.

PLEASE NOTE THAT CITIBUS POLICY DOES NOT ALLOW AN OPERATOR TO LOSE VISUAL CONTACT WITH THE CITIACCESS VAN AT ANY TIME, FOR ANY REASON.

Service Hours

1. Trips can be scheduled for pick-up between 5:25 a.m. and 7:45 p.m., Monday through Saturday.
2. Service is provided Monday through Saturday throughout the year, except for the following observed holidays:
 - New Year's Day
 - Memorial Day
 - Independence Day
 - Labor Day
 - Thanksgiving Day
 - Christmas Day

*There are no Sunday services.

Service Parameters

CitiAccess provides services anywhere within the Lubbock city limits. Service beyond the city limits is limited to locations that have been designated and approved by the Public Transit Advisory Board (PTAB). Currently, this only includes Reese Center located at 9801 Reese Boulevard.

There are three (3) types of fares for CitiAccess Service. The prevailing fare for a CitiAccess trip is determined by service area or location. CitiAccess service areas include the ADA Service Area, the Extended Service Area, and Premium Service Locations.

The ADA Service Area is defined as the area within 3/4 of a mile on either side of a fixed route, or up to an additional 3/4 mile to the nearest landmark (map enclosed). The fare for services within the ADA Service Area is \$3.50 per one-way trip.

The Extended Service Area is the area beyond the ADA Service Area but within the Lubbock city limits. The fares for services within the Extended Service Area is \$11.50.

Reese Center has been identified as a Premium Service location. The fare to service this location is \$15.00 per trip.

II. CERTIFICATION PROCESS

Certification of Eligibility

CitiAccess utilizes the certification criteria as established in the ADA, as listed below:

1. Any individual with a disability who is unable to independently board, ride, or disembark from any vehicle on the fixed route system that is accessible to such persons.
2. Any individual with a disability who is able to independently board, ride, or disembark from any vehicle on the fixed route system which is accessible to such persons, except when such a vehicle is not available on the needed route(s).
3. Any individual with a disability whose impairment-related condition prevents him/her from traveling to a boarding location or from a disembarking location on the fixed route.

A copy of the certification form may be obtained at the Citibus Administrative Offices located at 801 Texas Avenue, downloaded from www.citibus.com, or by calling CitiAccess at 712-2000 ext. 236 (voice).

The application must be legible and properly completed. Also, the applicant must sign that the information given is correct and sign the release of information form which is included in the application. A health care provider familiar with the applicant's condition must complete the attached physician form.

After the completed application is received, a CitiAccess staff member will call to schedule an in-person interview and physical assessment. If by 21 days following the submission of a completed application Citibus has not made a determination of eligibility, the applicant will be eligible for CitiAccess services until a determination of eligibility is made.

Interviews/assessments are conducted by appointment on Tuesdays and Thursdays and are conducted at the Citibus office, 801 Texas Avenue. Transportation will be provided free of charge both to and from the interview/assessment.

Visitors who are certified eligible for ADA paratransit services in their home areas are eligible for paratransit services in Lubbock for up to 21 days in a 365 day period. If they do not have an ID card stating their eligibility in another system, we require that they instead show proof of residency and ask about their disability, if the disability is not apparent. Visitors do not have to show an ID card to be eligible for CitiAccess services.

Determination of Eligibility

CitiAccess will determine eligibility status of a passenger based on the information provided during the eligibility process. A person may be determined to be ADA-eligible, temporarily ADA-eligible, or conditionally ADA-eligible on certain trips. Following the determination by CitiAccess, the applicant will be notified of the findings.

If the applicant disagrees with the findings, he/she may make a written request for an appeal of the decision. The appeal procedures will be sent to the applicant along with the determination of eligibility.

Renewal of Certification Process

Certification of all ADA-eligible passengers will be renewed every three (3) years.

III. HOW TO SCHEDULE A TRIP

Requests

1. Requests for service can be made during normal business hours the day before service is needed, but additional notice is appreciated. Trips can be scheduled seven (7) days in advance.
2. The CitiAccess scheduler at 712-2000 ext. 236 (voice) shall receive requests for CitiAccess transportation from 8:00 a.m. through 5:00 p.m., Monday through Saturday and from 8:00 a.m. to 5:00 p.m. on Sunday. Please note that all calls are answered by the answering machine on Sunday. The wait time is 3 minutes per call and all calls must be returned by COB, Monday- Saturday.

Scheduling

1. CitiAccess is a shared ride, public transportation service. As such, other passengers may be onboard and the vehicle may stop for other pick-ups and/or drop-offs on the way to a destination. Additionally, the van may arrive for pick-up up to fifteen (15) minutes before or after the originally scheduled pick-up time. There will not be a charge to the passenger for the trip if the van arrives later than fifteen (15) minutes after the scheduled pick-up time and the passenger has not been notified by CitiAccess that the van will be late. Whenever possible, CitiAccess will attempt to notify all passengers that the van will be late. This will allow the passenger time to make other arrangements if the van is unavoidably detained. If CitiAccess does not have a working telephone number on record, we will not be able to notify the passenger and will not provide the trip for free. Please make sure that we have a current telephone number and address on file.
2. Passengers may request any pick-up time within CitiAccess service hours. However, if the requested pick-up time is not available, the CitiAccess scheduler may offer an alternative pick-up time within one (1) hour of the originally requested time.
3. Some passengers may elect to provide a drop-off time instead of requesting a pick-up time. Drop-off times are reserved for

specific trips such as for group homes or for medical appointments. Drop-off times are the times passengers need to arrive at a designated location for a scheduled appointment.

4. The CitiAccess van may arrive at a drop-off location anywhere from fifteen (15) minutes before the drop-off time up to five (5) minutes after the drop-off time.
5. Scheduled pick-up and drop-off times should be carefully selected in order to allow ample travel time to arrive at a destination on time. The CitiAccess scheduler may suggest alternative pick-up times in order to accommodate a passenger's needed arrival time. Passengers may travel onboard the CitiAccess van for up to one (1) hour and thirty (30) minutes.
6. Only trips with scheduled pick-up or drop-off times will be entered on the daily schedule.
7. Back to back trips must be scheduled at least thirty (30) minutes apart. This is done to ensure that a passenger does not miss a pick-up scheduled on a second CitiAccess van.
8. Passengers traveling to or from buildings with multiple entrances should be prepared to specifically state the door or location designated for pick-up and drop-off when scheduling the trip.

TIPS FOR SCHEDULING SERVICE

When scheduling rides for specific times, be sure to allow plenty of time to finish your appointment in order to meet the vehicle at your scheduled pick-up time. Be aware of opening and closing times at your destination to avoid waiting outside the building before or after business hours. When scheduling your trips, please follow these suggestions:

- Allow adequate time to reach your destination.
- Allow extra time for the pick-up and drop-off of other passengers before reaching your destination. (Keep in mind that this is a shared ride service.)
- Allow for traffic conditions and weather delays.

- When scheduling a drop-off time, allow time to disembark vehicle and get to designated location for a scheduled appointment.

Subscription Bookings

Passengers may utilize subscription bookings for their weekly appointments. However, due to ADA restrictions, only 50% of CitiAccess passengers qualify for subscription trip bookings. Subscription bookings are scheduled on a first-come, first-serve basis. Once the subscription time or location has been altered, bookings must be made on a weekly basis and the passenger will move to the bottom of the subscription waiting list.

Will-Calls

1. A "will-call" is a request for service made on the same day that a trip is to be taken. Will-calls will be accepted only when space is available.
2. CitiAccess cannot guarantee the availability of will-call service.
3. When will-call trips are scheduled, they are charged an extra \$3.50 per trip. The fares are \$7.00 for the ADA Service Area, \$15.00 for Extended Service Area and \$18.50 for the Premium Service Location.
4. Any request for CitiAccess to return to pick-up a passenger following a no-show for a regularly scheduled trip shall be classified as a will-call.
5. The CitiAccess scheduler or dispatcher will not be able to provide a specific pick-up time to the caller at the time a will-call request is made. Passengers requesting same day service may be asked to call back to confirm trip availability. If space is available, the scheduler/dispatcher will confirm the availability of space on the van. If CitiAccess is unable to provide the trip, the will-call request will be denied.
6. If CitiAccess is unable to provide the trip, the passenger may call back at a later time to make a second request for a will-call.

7. For will-call trips, the CitiAccess van may arrive for pick-up anytime within two (2) hours of the time the trip is confirmed. Once the van arrives, it will wait five (5) minutes for the passenger. If the passenger does not board in that time, the van will depart and the passenger will be charged with a no-show.
8. Passengers who no-show for will-call trips will be charged a will-call no-show fee of \$10.00 which must be paid when the next CitiAccess trip is taken. **If the no-show fee is not paid on the first scheduled trip following the no-show, no further trips may be scheduled until the no-show fee is paid.**
9. No-shows for will-call trips will be accounted for separately from no-shows associated with regularly scheduled trips.

Alternate Destinations

1. Changes to scheduled destinations are allowed only when the alternate destination will not substantially affect the CitiAccess schedule.
2. The CitiAccess operator will determine whether the request for an alternate destination can be accommodated.
3. A premium fare of \$7.00 will be charged for alternations to scheduled destinations.

IV. CITIACCESS FARES

Fares for CitiAccess service are established by the Public Transit Advisory Board (PTAB), with approval of the City of Lubbock City Council. The current fares are as follows:

- \$3.50 per trip that is ADA-eligible inside the service area from 5:25 a.m. until 7:45 p.m.
- \$11.50 per trip that is ADA-eligible outside the service area until 5:25 a.m. until 7:45 p.m.
- \$15.00 per trip for transportation to Reese Center.

Fare Collection

All passengers must pay for each ride upon boarding the bus each time. Passengers may prepay for trips that will be taken on a given

day but prepayment will **only** be accepted on the first trip of the day. Passengers may not ride until the appropriate fare for the first trip has been paid. Drivers do not make change, therefore passengers must have correct change or utilize passes.

Passes

Books of 20-passes may be purchased directly from the CitiAccess operator for \$70. In addition, a minimum of 10 passes at \$35 may only be purchased at the Citibus Administrative Office located at 801 Texas Avenue between the hours of 8:00 a.m. to 5:00 p.m., Monday – Friday.

Aides

An aide is someone who is designated or employed to help a passenger meet his or her personal needs. The need for an aide must be indicated on the certification form in order for the aide to ride for free. Aides must be picked up and dropped off at the same address as the CitiAccess passenger. Scheduling should be alerted when an aide is needed to travel along with a passenger.

Please note that if a passenger cannot be left alone at a destination, or if the passenger must be under constant care or supervision, CitiAccess may require the passenger to travel with an aide. CitiAccess is unable to alter or modify procedures or policies in order to provide specialized services to passengers who need services beyond the minimum assistance guidelines. CitiAccess will not be responsible for passengers that cannot be left alone at their destination without care or supervision. If a CitiAccess passenger needing care or supervision is delivered to a destination where a caregiver is not available to assume responsibility, CitiAccess will transport the passenger to the Citibus administrative facilities located at 801 Texas Avenue. It will be the responsibility of the family or caregiver to pick-up the passenger at the Citibus facilities upon being notified. CitiAccess reserves the right to contact

Protective and Regulatory Services in cases where appropriate care has not been provided by responsible parties.

Companions

A companion is anyone who travels with an ADA-eligible CitiAccess passenger. Companion(s) may accompany you on your trip if space on the van permits. A companion will be charged the same applicable rate as the CitiAccess passenger. A companion must be picked up and dropped off at the same address as the passenger. An aide does not count as a companion. Companion(s) must be scheduled at the same time you call in to schedule your trip.

V. NO-SHOW/CANCELLATION PROCEDURES

No-shows

Operators will utilize the following guidelines concerning a person's failure to meet the CitiAccess van:

1. For trips scheduled with a requested pick-up time, the CitiAccess operator will not wait longer than five (5) minutes from the arrival time for passengers to board the vehicle. If the van arrives within the thirty (30) minute window (fifteen (15) minutes before and fifteen (15) minutes after the scheduled pick-up time), the passenger must board the van within five (5) minutes of arrival.
2. For trips scheduled with a requested drop-off time, the van may arrive anytime within one (1) hour prior to the drop-off time. If the van arrives anytime within one (1) hour prior to the requested drop-off time, the passenger must board the van within five (5) minutes of arrival.
3. Failure to meet the van within five (5) minutes from the time of arrival will constitute a no-show. An individual is allowed one (1) no-show per calendar month without penalty.
4. Passengers or their associates may not ask operators to delay the five (5) minute interval under any circumstances; this is to assure the timely pick-up and transportation of all CitiAccess passengers.

5. CitiAccess dispatch/scheduling will not hold or otherwise detain the CitiAccess van because a passenger is late for a scheduled pick-up. The dispatcher/scheduler may provide information to the operator and facilitate communication via phone and radio between the passenger and the operator. However, it shall be at the operator's discretion as to when to depart and declare a trip as a no-show.

Trip Restrictions

There will be no restrictions or priorities based on trip purpose. [49 CFR 37.131(d)]

There will be no limitations on service based on capacity constraints. [49 CFR 37.131(f)] Capacity constraints include:

- Restrictions on the number of trips an individual can take. [49 CFR 37.131(£)(1)]
- Waiting lists for access to service. [49 CFR 37.131(£)(2)]

Trip restrictions include any operational pattern or practice that significantly limits service availability, such as substantial number of significantly untimely pickups for initial or return trips, substantial number of trip denials or missed trips, or substantial numbers of trips with excessive trip lengths [49 CFR 37.131(f-3)(i)(A-C)]. Operational problems attributable to causes beyond Citibus's control (such as bad weather or unsafe traffic conditions) shall not be used to determine the kind of pattern or practice [49 CFR 37.131 (f) (ii)].

A trip denial (or denial of service) occurs whenever a patron attempts to schedule a trip according to the procedures outlined in this policy manual, but CitiAccess is unable to schedule that trip within one hour before or one hour after the desired time, even if the patron agrees to schedule some other trip time beyond that two-hour window.

An excessive trip length is any travel time on paratransit is

comparable to the amount of time it would take to make the same trip using fixed route bus service with connections. The average trip length is about 40 minutes, and a trip may exceed or fall below that average depending on circumstances.

A missed trip occurs when CitiAccess fails to pick up a passenger for a scheduled trip. A missed trip is defined as a trip the provider schedules for which the vehicle never arrives, or arrives outside of the pickup window and the passenger does not take the trip.

If Citibus picks up a passenger earlier than fifteen (15) minutes before the scheduled pick-up time or later than fifteen (15) minutes after the scheduled pick-up time, it will log the trip as an untimely (early or late) pick-up.

CitiAccess will keep daily logs of all trip denials, excessive trip lengths, untimely pickups, and missed trips in order to prevent any limitations of service availability. These logs will be reviewed by the Citibus Mobility Manager on a daily basis. Quarterly reports will be reviewed by the Citibus General Manager.

Cancellations/No Shows

A trip cancelled from two (2) hours up until the scheduled time will be recorded as a late cancellation. Late cancellations will be treated as a no-show. An individual is allowed one (1) no-show per calendar month without penalty.

A trip cancelled from two (2) hours before the scheduled time will be recorded as an advance cancellation, and will not be penalized.

No-Show Penalties

A pattern of excessive no-shows may result in service suspension. Once a passenger reaches four (4) no shows, or 11% or more of their scheduled trips in one calendar month, and has booked at least forty-four (44) trips in one calendar month the *CitiAccess* suspension policy will take effect.

No passenger shall be suspended under this policy for having three (3) or fewer no show occurrences in one month.

The 11% no show tolerance in effect is determined by current industry standards. The tolerance rate may be adjusted according to industry standards as applicable and was established according to industry best practices.

The progressive suspension policy is as follows:

- First suspension occurrence will result in a four (4) day suspension penalty
- Second suspension occurrence will result in a seven (7) day suspension penalty
- Third suspension occurrence will result in a 14 day suspension penalty
- Fourth and any subsequent suspension occurrence will result in a thirty (30) day suspension penalty

The timeframe for the progressive suspension policy is one (1) calendar year beginning on January 1st of every year. Passengers with four (4) or more no-shows and the no-shows total 11% or more of their forty-four (44) trips in one month will be notified by mail with a letter containing:

- The dates when the no shows occurred
- The dates of the pending suspension
- Instructions on how to make an appeal

No Show Passenger Notification

Each passenger's no show occurrences are reviewed at the end of each calendar month for excessive no-show violations. Suspension notification letters are sent to all passengers in violation of the policy. Each letter clearly identifies the dates of each violation from the previous month, as well as the future dates when the passenger's service will be suspended.

Appeal Procedures

Before no show suspensions may take place, *CitiAccess* will notify the passenger of the reason(s) for the proposed no show suspension and shall state that the passenger has a right to appeal. Passengers must request a no show suspension appeal hearing within 15 calendar days after receipt of the No Show Policy violation suspension letter.

The passenger may request a suspension appeal hearing by:

Telephone: 806-712-2000
Fax: 806-712-2012
Email: sgarrett@citibus.com
Postal Mail: Citibus
PO Box 2000
Lubbock, TX 79401

VI. MEDICAID PROCEDURES

1. **All Medicaid trips must be scheduled through Medicaid;** they will provide a trip confirmation number, pick-up and drop-off locations, and initial appointment times. Times and locations cannot be changed through *CitiAccess* dispatch, nor will the operator honor any requests for alternate destinations. Trips cannot be altered without a new confirmation number from Medicaid; they can be reached at 1-877-633-8747 and have office hours of 8:00 a.m. – 5:00 p.m. central time. Same day requests through Medicaid might not be honored due to space or availability, so it is asked that all trips be booked a day in advance.
2. Upon initial pick-up, passengers can be picked up anywhere from one (1) hour before a Medicaid-sanctioned trip. *CitiAccess* is a shared-ride transportation service, so passengers can ride on the van up to one (1) hour before being dropped off.
3. When a passenger is finished with their appointment, they become a Medicaid will-call. *CitiAccess* dispatch should be

contacted when the passenger is finished with their Medicaid appointment. The *CitiAccess* dispatch phone number is (806) 712-2000 ext. 237. The van will be dispatched to the pick-up location, where the passenger should wait where they were dropped off; the passenger should be in sight of the van. *CitiAccess* has up to one (1) hour after dispatch receives the call to pick-up the passenger from their appointment. Regardless of the pick-up, the operator is required to wait ten (10) minutes at the specified location to receive the passenger before continuing. Should a passenger no-show after the operator has waited their ten (10) minutes, another confirmation number will have to be acquired from Medicaid in order to return and complete the trip.

4. These trips are paid for by Medicaid, so no charge is collected from the passenger.
5. Medicaid trips entail the same rules, policies, and regulations that apply on *CitiAccess*. Therefore, breaches of policy are entitled to the same disciplinary action.

VII. NITERIDE EVENING SERVICE

NiteRide is an evening demand response evening service that operates Monday – Saturday from 6:45 p.m. – 10:30 p.m. and is open to the general public. Certified *CitiAccess* passengers are automatically registered for NiteRide and may schedule trips on the service. However, separate policies, procedures, regulations and fares apply. The NiteRide fare is \$4.50 per trip.

VIII. MISCELLANEOUS

1. *CitiAccess* vans, in compliance with the ADA, will guarantee transportation for riders with wheelchairs no more than 30 inches wide, 48 inches long and weighing no more than 600 pounds total while occupied. Wheelchairs that fall outside of these guidelines might still be accommodated, but will be evaluated on an individual basis to ensure *CitiAccess* vehicles will be able to physically transport them safely. *CitiAccess* may

weigh and measure wheelchairs to make sure they fit within the maximum size and weight requirements.

2. CitiAccess utilizes straps to secure wheelchairs, scooters, or other mobility aids. The vehicles are designed to utilize four (4) straps: two in the front and two in the back. All four straps must be secured to the mobility device prior to moving the vans. Passengers should utilize the available lap belt and shoulder harness. In the event a passenger refuses the shoulder harness or lap belt he/she will be asked to sign a release form prior to boarding.
3. CitiAccess provides seatbelts for all passengers. On vans equipped with seatbelts, each operator will require every mobile passenger (or passengers that transfers from a wheelchair) to wear a seatbelt. Passengers refusing to do so will be asked to sign a waiver accepting liability risk should the van come to an abrupt stop or should an accident occur.
4. CitiAccess passengers' groceries and other carry-on items are limited to what the passenger can physically carry aboard without making additional trips. Grocery carts, shopping carts, and oversized baskets are prohibited due to space limitations, and purchases will not be placed in a wheelchair-designated space.

IX. FREQUENTLY ASKED QUESTIONS

Q: *When can I start riding CitiAccess?*

A: As soon as you receive your approval letter.

Q: *What if I run late at the doctor?*

A: You must notify CitiAccess that you will not make your pick-up time and that you will-call when you are ready. CitiAccess will send a ride as soon as possible. The missed ride will not result in a no-show being recorded.

Q: *Does the time of a cancellation left on voice mail count as the time the ride was cancelled?*

A: Yes, the system time stamps each message and that time will be listed as the cancellation time.

Q: *Do I have to call everyday for a trip if the time and days that I travel are the same week-to-week?*

A: No, subscription service is available when travel is at the same time and day each week. However, when necessary, a passenger must remember to cancel a subscription ride to avoid a no-show being recorded.

Q: *Will I be taken directly to and from my destination?*

A: Not necessarily. CitiAccess is a shared ride, public transportation service. As such, other passengers may be onboard and the vehicle may stop for other pick-ups and/or drop-offs on the way to a destination.

Q: *What is the Service Area?*

A: The service area includes the sections of Lubbock that CitiAccess can pick you up and drop you off. Fares vary within the service area and may be determined by utilizing the enclosed service area map.

Q: *Where does CitiAccess pick-up passengers when there are many entrances to a building?*

A: If the passenger has a specific pick-up location identified, the location should be provided to the scheduler when the trip is scheduled. However, CitiAccess has specific pick-up points designated for many facilities and buildings. For details regarding designated pick-up locations, contact CitiAccess scheduling.

Q: *What is the process to place a complaint?*

A: Contact Citibus' Transportation Coordinator, who will enter all applicable information and a paratransit supervisor or other member of management will contact you within 24 hours.

Citibus' Reasonable Modification Policy and Practices

In an effort to service all Citibus passengers the following policy is in place to ensure any individual with a barrier to transportation needs are reasonably accommodated. This policy applies to Citibus' Fixed Route, Complementary Paratransit, Texas Tech University service, and NiteRide. It establishes that an individual's disability cannot preclude Citibus from providing full access to its service except where doing so would fundamentally alter service delivery.

Citibus' fleet is fully accessible. In the event of inclement weather, all Citibus operators will make every effort to accommodate any individual using a wheelchair or a passenger with a disability who need to access the bus. Individuals will be able to board the bus even though the sidewalk construction or inclement weather prevents the individual from boarding the bus from the bus stop; the operator of the bus will slightly adjust the boarding location so that the individual using a wheelchair or with a disability may board from an accessible location.

There are three (3) types of modifications that would not create an obligation for Citibus to agree with as a reasonable modification request:

- 1) Those that would fundamentally alter Citibus' program delivery
- 2) Those that would create a direct threat, or significant risk to the health or safety of others
- 3) Those that are not necessary to enable an individual to receive Citibus' services

Citibus will use DOT [49 CFR Parts (27, 37) (Appendix E)] as Guidance for Reasonable Modification request.

Any Request, Concerns or Complaints Regarding Citibus' Reasonable Modification Policy Contact:

Citibus Administrative Offices
Customer Service/Complaint Department,
801 Texas Ave., Lubbock, Texas 79401
